Disclaimer Form

Utility Rebate Eligibility

AquaChill air conditioners purchased and installed by participating dealers in residential markets. AquaChill installation address must be located within qualifying territory. Utility meter number required.

Utility Rebate Offer

Rebate is based on the tonnage of the AquaChill product purchased. Multiple rebates per household apply. Dealer may provide additional offers at the local level such as financing, service agreement or added rebates; ask your AquaChill dealer for more information. Rebate funds are limited. Applications are accepted on a first-come, first-served basis. Qualifying AquaChill products and available rebates are:

AQC48, 4 Ton: Free

AQC60, 5 Ton: Free

Claiming Utility Rebates

To redeem your utility rebate, complete the AquaChill Utility Rebate Claim form available through your dealer or at www.Aqua-Chill.com, and mail with proof of purchase and a copy of one page of your PG&E Utility bill showing your meter number to:

Attn: AquaChill Rebate
PO Box 515015
Sacramento, CA 95851-5015

A utility rebate check is generally mailed eight to ten weeks after completed application and all required documentation are received.
